www.RESCUE42.com • Rescue42@Rescue42.com

- Dealer must take possession of the struts being used for credit including all tubing, pins, base and head attachments.
- The following brands/equipment may not be used for credit: Paratech®, Airshore®, Hurst® QuickStrut®, ZMag®, any hydraulic shoring equipment, confined space rescue tripods, or "homemade" struts.
- Individual struts without accessories (specifically pins and all base and head attachments) will not be accepted for credit.
- Upgrades may only be applied to a kit of equal or greater size as the one surrendered and is not available to or from tripod kits.
- All upgrades will be evaluated on a case-by-case basis and are subject to approval by Rescue 42, Inc.
- Upgrade credit may only be applied towards the purchase of the following Rescue 42 Composite TeleCrib® Kits: CTC-6001, 6002, 6003.
- Offer expires 2:00 PM (PST) on December 31, 2015 and is valid only within the United States and Canada.
